Up to 4 Peonies, $8.95
5 to 8 Peonies, $12.95
For herbacous (bush) peonies anywhere in the USA, inlcuding Alaska.

The U.S. Post Office provides two flat rate boxes suitable for herbaceous peonies. The new larger one can hold at least 8 peonies. Two of the larger boxes can deliver 16 (maybe 18) peonies and will cost only $25.90. If you're ordering 12 to 13 peonies, we can use one small box and one large for $21.90. ***Add additional 65 cents each box for USPS Delivery Confirmation.***

Tree Peonies

If order includes tree peonies, box is charged at exact shipping cost and is a second charge to your Visa, MC or AMX. Charging at exact cost, rather than estimating helps keep your shipping costs down. A fee of up to $8.00 for special or oversize boxing may apply.

Other Carriers

Above rates only apply to parcels via USPS Priority Mail, which is usually 3-Day shipping. Shipping by any other carrier, and foreign shipping, is determinted at weigh in for exact cost.

A & D Nursery is responsible for sending you generous portions of healthy plants that are very much alive and true to name, but not responsible for growing conditions beyond our control.
